#26-44 INDIVIDUAL ARTIST BUDGET FORM

26. The UAC/AE program provides grant money to cover artists' salary, travel, lodging, and food costs. In addition, a limited amount of funding for supplies and equipment can be requested. Use the *Individual Artist Budget Form* to request funds for the items listed above. **As a reference a sample has been provided for you (see pages 12-15).**

 NEW Applications must be completed with an artist already on board. Contact your artist of choice prior to submitting your application to confirm their availability and to align project goals, content and concept.

An Arts Education for Underserved Populations grant may involve more than 1 artist. Complete the *Individual Artist Budget Form* for EACH artist. If you are using such an artist, you must submit with your application documentation of their work such as playbills, press packets, raisonnés, vitae, resumes, exhibition lists, touring schedules, or publication lists. The UAC/AE board chair will determine if an artist can be used for the project for which you are applying.

If you are using an artistic company (i.e. Utah Opera, Repertory Dance Theatre) to augment this project, USE box 50 on the *Budget Summary Form*, NOT the *Individual Artist Budget Form*.

27. Your school district's name.

SCHOOL DISTRICT ARTS EDUCATION PROJECT COMPLETION KEY

Plan on \$68 for the Salt Lake Valley, \$65 for the Moab area, and \$63 for the Ogden, Provo, Orem area. Areas not listed above are required to stay within the range. Therefore, you are under no obligation to put your artist up at the Hilton.
40. Artists need to eat too! If your artist is working or traveling during normal eating hours, plan to cover their costs. The state allows for \$26 per day. Plan on \$5 for breakfasts, \$7 for lunches, and \$14 for dinners.

SCHOOL DISTRICT ARTS EDUCATION PROJECT COMPLETION KEY

#54-68 MATCHING FUNDS

54. The total in box 53 must be matched 1:1 with non-UAC funds. The funds matched can be from this and other arts projects happening in your school district. The funds do not need to be direct costs of this project. For example: If your school district took the students to an arts performance not associated with this project, you could use the bus and ticket costs as matching funds. In addition, if you are bringing in more artists for this project or other arts projects using non-UAC funds, those costs can be used as matching funds.
55. If any school or school district administrator works above and beyond their regular workweek and is PAID for their extra time, it is considered a CASH match. If any school or school district administrator devotes a certain percentage of their time to this project, that percentage of their salary can be considered a CASH match. If any school or school district administrator works above and beyond their regular workweek and is NOT PAID, it is considered an IN-KIND match.
56. If any faculty or staff work above and beyond their workweek and are PAID for their extra time it is considered a CASH match. If any faculty or staff devotes a certain percentage of their time to this project, that percentage of their salary can be considered a CASH match. If any faculty or staff work above and beyond their regular workweek and are NOT PAID, it is considered an IN-KIND match.
57. When teachers are working directly with the artist(s), sometimes substitutes are needed for their students.
58. If you are using space for a community arts event that otherwise could be rented, the rental fee is considered an IN-KIND match. If you must rent space for this or any other arts related projects, the fee is considered a CASH match.
59. Office supplies, telephone and utilities costs directly related to this project or any other arts project are considered matching funds.
60. School districts often print flyers and invitations to send home to the parents or make posters announcing their arts events. These costs are direct matching funds. Any additional publicity that is donated is an in-kind match.
61. If you have other artists coming to your school district to work with students on this project or any other, you can use their salary as a match. List the names of the artist and their salary or fee. If your school has an art specialist, a percentage of their salary can be used as a CASH match.
62. If you are paying the travel of additional artists (in addition to those listed in the *Individual Artist Budget Form*) to come to your school district it is considered matching funds.

SCHOOL DISTRICT ARTS EDUCATION PROJECT COMPLETION KEY

63. If you need more than \$400 worth of instructional materials/supplies for this project, list the supplies and approximate their costs. If your school district will be purchasing art materials/supplies between July 1, 2004 and June 30, 2005 not related to this project, 75% of the cost could be considered matching funds.
64. If you need more than \$400 worth of equipment for this project, list the equipment and approximate the cost. If your school district will be purchasing arts equipment between July 1, 2004 and June 30, 2005 not related to this project, 75% of the equipment cost could be considered matching funds. It would be even better if the equipment purchased were related to this project, then the total cost is considered matching fund and the UAC/AE program could cover \$400 of the purchase.
65. List specifically those expenses related to this project that do not fall under the above categories and approximate their costs.
66. Total boxes 55 – 65. Enter the total here. This amount must be greater than or equal to box 53.
67. List where the funding amount in box 66 came from. Across from the source, enter how much money will be coming from that particular source. (Examples being: Title IX, Title I, Career Ladder, PTA, Teacher Salaries, Supply Budget, Travel Budget, Coke Machine Money, Picture Funds, etc.) REMEMBER to place an asterisk next to donated goods and services (items and services you would have had to pay for if they had not been donated to your project). **See the *Budget Summary/Matching Funds Form* sample below for more detail.**
68. This amount should equal box 66.

#69 NARRATIVE

69. This is the “Narrative” portion of your grant. Use at least 12-point, Arial or Times New Roman font. Answer all the questions completely. Do not use “not applicable” on any of the questions.
